

DIGITAL AL-JAZARI FOR AI & RESEARCH INNOVATION

Data Protection & Privacy Notice

Last updated: 2026-01-25 | Website: digitalaljazari.org and associated pages/services

Data Controller	Digital Al-Jazari for AI & Research Innovation
Privacy Contact	privacy@digitalaljazari.org (replace if different)
Main Purposes	Service delivery, communications, security, and improvement of digital services
Public Links	Financial report, administrative report, and AI policy are published on our website

1) Who we are (Data Controller)

We are the organization responsible for deciding how and why your personal data is processed (the “Data Controller”).

Contact (privacy): digitalaljazari@gmail.com | General contact: contact@digitalaljazari.org

2) What data we collect

Depending on how you use our website and services, we may collect:

- Information you provide (e.g., name, email, phone number, organization/role, form submissions, messages, and attachments).
- Technical and usage information (e.g., IP address, device/browser type, pages viewed, time spent, and referring pages).
- Administrative and transactional references (e.g., invoices/receipts) where applicable. We do not intentionally store payment card details if processed by a payment provider.

3) Why we process your data (purposes)

- To provide the website and requested services (registrations, inquiries, membership/partnership requests).
- To communicate with you and respond to support requests.
- To maintain security, prevent fraud/abuse, and protect our systems and users.
- To improve website performance and user experience (analytics and troubleshooting).
- To meet legal, regulatory, or contractual obligations (where applicable).

4) Legal basis for processing

Where applicable, we rely on one or more of the following legal bases:

- Consent (e.g., optional cookies or specific communications where used).
- Contract or steps prior to a contract (e.g., delivering requested services).
- Legitimate interests (e.g., security monitoring, service improvement, basic analytics).

DIGITAL AL-JAZARI FOR AI & RESEARCH INNOVATION

- Legal obligation (e.g., record-keeping where required).

5) Cookies & analytics

We may use cookies and analytics tools to understand how the site is used and to improve performance and reliability.

Google Search Console may be used to monitor search visibility (clicks, impressions, and performance trends) and to identify technical issues affecting discovery.

You can control cookies through your browser settings and, where available, our cookie banner/preferences tool.

6) Sharing your data

We do not sell personal data. We may share limited data with:

- Service providers (hosting, email delivery, analytics, security) acting under our instructions and confidentiality obligations.
- Partners only when necessary for a program you join or explicitly request.
- Authorities or legal representatives if required by law or to protect rights, safety, and prevent fraud.

7) International transfers

If data is processed outside your country (e.g., through cloud service providers), we apply appropriate safeguards (contractual and technical) to protect your information.

8) Data retention

We keep data only as long as necessary for the purposes described in this notice, unless a longer retention period is required by law.

- Inquiries/support requests: typically 6–24 months.
- Administrative and financial records: as required for accounting/compliance.
- Security logs: typically 30–180 days unless investigation requires longer.

9) Your rights

Subject to applicable law, you may request access, correction, deletion, restriction, objection, or withdrawal of consent (where consent is the basis).

To exercise your rights, contact: contact@digitalaljazari.org

10) Security

We apply reasonable administrative, technical, and organizational measures to protect personal data (access controls, backups, and encryption where appropriate). No method of transmission or storage is 100% secure, but we work continuously to reduce risk.

11) Children's privacy

DIGITAL AL-JAZARI FOR AI & RESEARCH INNOVATION

Our services are not intended for children without appropriate supervision/authorization. If you believe a child provided personal data without consent, contact us to request removal.

12) Public transparency links

Public documents are available here:

- Financial Reporting Package (FY2025):
